

ABIDING HOPE

PRESCHOOL & KINDERGARTEN

Dear Families,

Thank you for joining us this summer. Even though summer camp won't look the same as previous years, your child(ren) will have a wonderful time socializing and playing outside. Last summer, our explorers connected with nature and it was amazing! The creativity we witnessed was fantastic!

The following Covid procedures are in place to ensure the health and safety of staff and children throughout summer:

- Parents are not allowed in the building. We will have several different drop off doors (you will be assigned a door according to your class) where you can check your child in and out. Staff will walk children to their assigned classrooms.
- Regarding vacations - we continue to implement our 72 hour quarantine after travel. This includes travel that is without your children and people from out of state coming to visit. This means if mom and dad go out of state/country and grandparents come in state to watch your children, your children must quarantine 72 hours from the day grandparents arrive and then another 72 hours once mom and dad arrive home. Please factor these extras days into your vacation plans.
- Parents must wear a mask at drop off and pick up-no exceptions.
- We have a touchless check-in and check-out system through Early Learning Ventures. Please search for the ELV app (it's free) for parents and download it to your phone.
- Staff will continue to wear masks throughout the summer however children are not required to wear one.
- Backpacks/lunches/water bottles will be sent home daily.
- Childrens' temperatures will be taken daily.

We are looking forward to seeing you!

If you have any questions please call the school office 303-932-9160 X2 or send an email to janice@abidinghope.org
